1NCE **IoT Coverage**[1]

and supported bearer

As of October 2026

The supported mobile transmission standards (bearer) of 1NCE's IoT SIMs are shown in the list below (this list being the "1NCE Country Coverage List" as referenced in the applicable 1NCE Service-Specific Terms). Each IoT SIM transmits and receives on all supported bearers, provided that the wireless technologies are locally available, and the mobile communication module used also supports the relevant wireless technologies. For the 1NCE High Data IoT Service, the applicable countries, bearers, and Zone allocation are set out in the 'High Data' section below. Zone allocation and HD 2.0 pricing are as set out in the 1NCE Price List, which is authoritative.

[1] The List of Countries and Regions ("Coverage List") and the 1NCE IoT Coverage map is for general informational purposes only. The countries listed are current as of the date indicated in the downloadable Coverage List may be subject to changes in accordance with 1NCE General Terms and Conditions ("GTCs"). Countries and Regions marked with an "*" may be subject to regulatory restrictions or local limitation. Export restrictions vary depending on the country of shipment and may apply in addition. 1NCE does not provide legal advice. Customers are responsible for compliance with local laws in deployment countries in accordance with Section 4.3 Part A of GTCs.

Coverage of the **1NCE IoT Lifetime Flat Rate Brazil+**

The product "**1NCE IoT Lifetime Flat Rate Brazil+"** has the following country and bearer coverage that differentiates from the standard 1NCE IoT Flat Rate:

Country / Region / Market	2G	3G	4G	LTE-M	NB-IoT
Brazil	✓	✓	✓	✓	

✓ available

The country coverage and available network technologies in these selected countries, regions and markets therefore differ from the standard **1NCE IoT Lifetime Flat Rate**. All other countries and network technologies remain available when using **1NCE IoT Lifetime Flat Rate Brazil+.**

** Permanent use of non-local IoT SIMs in this country is not permitted or may be subject to additional local requirements.*

*** Service restricted due to local network-level barring.*

**** For permanent use cases refer to "Flat Rate Brazil+*

✓ available
